

Praises: Thank You Father...

1. For helping Theresa and I through a challenging September that was full of, very good, but occasionally overwhelming transitions - including the arrival of our 12TH grandchild, Ayrton.
2. For **each prayer partner** who signed up to pray with us, all the people God is reaching through the ministry, and the many ways He is orchestrating for us to serve brothers and sisters in the United States, China and the Middle East.
3. For the new passion God is birthing in my heart for pastors and the incredible opportunities in the United States and around the world He is giving us to minister to them, including a trip to China next month!

Prayer Requests: Father we ask You...

1. For God's guidance, protection, and blessing on the new Senior Pastor of Venture Christian Church, the Elder Board, and whole church as they start this new season together.
2. Wisdom and clarity for me, Theresa, Living on the Edge staff, our Board, as we meet this month to prayerfully consider each new opportunity for ministry before us in 2019.
3. For the National Apologetics Conference in Charlotte later this month, where I will be teaching October 12 and 13th, and video shoot in Atlanta on October 15-18, where I'll be filming the Gospel of John for new T.V. programming and online course.
