

TOP THREE PRAISES

For God's amazing blessing in the Mid-Year Match and the encouraging partnership of all of you who are On Mission with us through your prayers and giving.

For the continued blessing on open doors and opportunities to partner with leaders in the Middle East and China.

For God's blessing and sustaining—two years post back-surgery and nearly one year since my decision to move solely to ministry at Living on the Edge, He continues to give me great joy and open channels to minister to people I couldn't have imagined. All praise to Him!
