

TOP THREE PRAISES

For the faithfulness and generosity of the close partners that stepped forward to build this incredible Match opportunity and all that will mean for ministry in 2020!

For the open doors in China and the privilege to serve our brothers and sisters there through sharing 1,000,000 copies of **The Real God**, and the invitation to continue with **True Spirituality**.

For the Lord's crystal clear direction, unity, and alignment for the ministry in 2020.

TOP THREE REQUESTS

That God would move powerfully to raise up His people and partners for the next 25 years of Living on the Edge ministry.

That the Match would exceed our expectations to meet the financial goals and needs of the ministry, and equip us to fund daily broadcasts, new resources for families, technology to reach the next generation, and new opportunities around the world.

That God would keep the door open in China and expand our opportunities for ministry in the Middle East, and other parts of the world like India and South America.
